

# A Death Worth Living For: Embracing the Death Dying Journey Without Fear

A powerful and unique book that will take you the reader on a deep journey of self discovery. Every idea and long held belief you ever had about this complex yet fascinating subject will be completely challenged. In the West, death & dying are often seen as a taboo, dark and not to be spoken of until a more convenient time. Unfortunately for some, that time never arrives and the dying process becomes a time of fear rather than a peaceful event.
