

Bemerkungen zur Ethik (American University Studies) (German Edition)

Im Tractatus Theologico-Politicus gab Spinoza eine Antwort auf die Frage nach dem Sinn des Daseins. Die drei Teile jener Antwort bilden das klare und ordnende Prinzip der hier vorgelegten kurzen Aufsätze und Bemerkungen zur Grundlegung der Ethik, zur Geschlechtsmoral, über das persönliche, soziale, politische und geistige Leben. Der abschliessende Versuch, das drei-einige Ziel zu deuten, mag am tiefsten Bruno und dem Kusaner verpflichtet sein.
