

An Italian conversation grammar

An Italian conversation grammar comprising the most important rules of Italian grammar, with numerous examples and exercises thereon, English-Italian dialogues, hints on Italian versification, and extracts in Italian poetry, followed by a short guide to Italian composition. This book, *An Italian conversation grammar*, by Napoleone Perini, is a replication of a book originally published before 1903. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible.
