

Malibu Shores

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Malibu Shores is an American primetime teen drama/soap opera that aired from March to June 1996 for ten episodes on NBC. Created by Aaron Spelling and starring Keri Russell and Tony Lucca, the program followed the exploits of Southern California teens. The show revolves around two different lifestyles that clashed repeatedly. On one side of the tracks was the wealthy Malibu crowd, and on the other was the more working-class gang of the Valley. When Zack (Tony Lucca) from the Valley meets Chloe (Keri Russell) from the Malibu beachfront, they fall in love- but no one thinks its a good idea but the two of them. After their love-at-first-sight meeting, Zach is transferred to Chloes school along with his friends (due to an earthquake). The remainder of the episodes dealt with the clashing of the two groups.
