

Performance Coaching Skills for Social Work (Post-Qualifying Social Work Leadership and Management Handbooks)

Within health and social care settings, high levels of sustained performance from individuals, teams, organisations and multi-agency collaborations are required. In order to achieve this, both management and leadership have to take a clear and defined role. This book looks at the how to of performance coaching - from establishing objectives, determining frameworks, processes and systems, to monitoring and taking corrective action as necessary. Coaching in its various forms offers a means by which those involved in public service can be supported and challenged to perform.
