

## Across Great Waters: Confessions of a Kidnapped African Spirit

Afrocentric authentic confessions of African spirit, body, and soul. Explores the unfortunate kidnapped experiences of a Guinea, Benin West African family-their challenges, conquest and survival of one hundred and fifty years of enslaved captivity. A significant educational and historical narrative indicating untold and unrevealed research-highly recommended for young adults, college level students, multi-cultural and African studies, ethnic research. A narrative for all descendant captor, kidnapped and captive persons having their offspring existence within one of the worlds great and powerful human behavioral events, which is the European conceived enslaved African diaspora.
